AROUND the TOWNSHIP

Niles people who noticed the blinds drawn on the Mint barber shop day before yesterday perhaps did not know that the Joe Ferrys were taking the day off to observe their 25th wedding anniversary. Joe took Mrs. Ferry around the county on a general tour.

We hope Joe and the Missus have a lot more anniversaries. They are solid, dependable citizens and good neighbors. Joe's shop is always the last word in immaculateness. Joe has an infallible method for drumming up business. When customers are few, he starts to shave himself. No sooner does he get lather all over his face than two or three customers pop up and have to have immediate attention.

Gladys Rose observed her birthday this week. She said she'd murder us if we mentioned it in the paper. O. K. Gladys, we won't breathe a word. In the meantime, many happy returns.

We wish to thank Mizz Attinger, Patti Bliss, Mizz Cadero and other local ladies for the assistance they have been giving our recently acquired wife in the matter of cooking. We wish to thank the menfolks in their families for acting as guinea pigs while the recipes were being tried out.

Although this newspaper has been forbidden to give out details regarding the new payroll which is on its way to Niles the matter is known unofficially to most everybody in the township.

The news is most heartening. It indicates that there is some business that is willing, in these uncertain times, to take a chance on expansion. If there is one such outfit, there must be more. The township should organize a real effort to bring those others here too.

In this connection it might be well to point out that the main offices of the California Chemical Co. group have moved to Newark—another indication that this section is due for steady industrial growth.

An example of the foresight that makes Frank Dusterberry a good banker lies in his purchase of his 1937 straw hat in October, 1936. By purchasing way in advance at a clearance sale, he got a $7.50 timothy toque for $1. Mr. Dusterberry admits that he is dilatory in some things, however. He has not yet done his 1937 Christmas shopping.

A Stroll

Last Monday afternoon, we walked across the Golden Gate. The fine arch of the bridge is paved like a city street with roadway, cement curbs and walks. San Franciscans and their guests may take the most spectacular walk in the world for the large sum of 5 cents. Many thousands of them were enjoying it with us. The panorama of bay and strait lay beneath us, the stark rugged hills of Marin before us and a cool fresh wind off 6,000 miles of ocean sang through the supporting cables.

Safety nets which for forty-four months held off disaster and up to that time established a world reputation for prevention of loss of life, still stretch beneath the bridge. Whether their removal has been delayed due to the rush of the

MANY SCHOOL CHILDREN GRADUATE FROM GRADES IN TOWNSHIPS DISTRICTS

Graduating dresses, gifts, parties and diplomas are in the air this week with dates being set for all commencements of Washington Township schools.

Irvington Grammar School was the first with exercises held at the high school auditorium Wednesday night when 29 received diplomas. Tonight, the Warm Springs School will hold its program, the first in the new building, and on Monday, the Alvarado will graduate the lucky 13.

The largest class in the history of the high school graduated Thursday night with 107 receiving dilomas. Leland W. Cutler, president of the Golden Gate International Exposition, and former graduate here, was the speaker with Roert Solon and Margaret Wells as student speakers, and Marylyn Maciel as soloist. The annual senior ball will be held Saturday night at the high school gymnasium.

Other graduations are announced as follows:

Decoto, June 10, at Decoto.

Mission San Jose, June 10, at high school.

Centerville, June 11, at high school.

Newark, June 14, at Newark.

Niles, June 17, at Veterans Memorial Building, Niles.

ALVARADO — Thirteen lucky seniors will graduate from the Alvarado Grammar School Monday night. Superintendent David E. Martin will be the speaker and student speakers will be Joe Lewis, valedictorian and Alexia Lezand, salutatorian. There will be numbers by the glee club and the orchestra under the direction of Miss Doris Kinne. Principal J. C. Wasley will have charge of the program.

The Parent-Teachers Association gave the graduates a party on Tuesday afternoon, followed with a dance Tuesday niht. Those in charge were Miss Mary Hughes, president; Mrs. Joe Maciel, Mrs. Walter Ziegler, Mrs. John Menezes, Mrs. J. Silva and Mrs. J. Alameda.

Those who will receive diplomas Monday night are Allen Amaral, Bob French, Bert Johnson, Joe Lewis, Raul Merino, Fujiko Akinaga, Marylyn Critchfield, Alexia Lezand, Victoria Marshal, Wilma Martin, Hilda Pinto, Winifred Santos and Isabel Silveira.

MISSION SAN JOSE—Twelve girls and two boys will graduate from the Mission San Jose Gram-

SENIOR BREAKFAST HAS BIG CROWD

CENTERVILLE— One hundred and forty attended the annual senior breakfast held Wednesday morning at 8 o'clock on the George Washington Memorial Lawn at the high school. Paul Pitman of the San Francisco Junior Collee was the speaker, and musical numbers were furnished by John Accinelli, Marylyn Maciel and Lillian Hoffman.

Guests included Mr. and Mrs. Pitman, J. C. Shinn, trustee in 1897 and Mrs. Shinn, members of the board of trustees and their wives and the following faculty advisors and wives: Mr. and Mrs. William Mette, Miss Maxine DuCoty Miss Evelyn Wilson and Mr. and Mrs. H. M. Kibby.

LEGION OBSERVES MEMORIAL DAY

NILES—Memorial Day exercises held in Washington Township Monday were under the direction of the Washington Township Post of the American Legion, Sons of the Legion, the Auxiliary and the Junior Auxiliary. Services took place at the Niles Grammar school where a memorial tree bears a plaque in honor of the veterans who have made the supreme sacrifice, at the Presbyterian and the Holy Ghost cemeteries at Centerville, the I. O. O. F. cemetery at Irvington and at the Mission and the St. Joseph's cemeteries in Mission San Jose.

Jack Vieux, commander of the Legion post had charge. George J. Kommes was chaplain; Anthony Clark, bugler; George L. Smith, drummer; color bearers, Frank X. Veit, national colors; John W. Myers, lost colors; Rudolph Brapil and George S. Smith, Sons of the Legion colors with Ed E. Hammond and A. Bertolotti as the color guard. E. J. DeLuce was in charge of the firing squad and marching unit with the following acting as the firing squad: Frank Rose, John T. Amaral, Arthur W. Cotton, J. F. Corey, Manuel Nunes Silva and Manuel S. Brazil.

MAN HURT DIVING IN CANYON CREEK

William Beach, 33, of Oakland suffered scalp lascerations and a sprained neck after diving into one of the Niles Canyon creek pools. After first aid by Dr. E. G. Dawson he was taken to the Alameda Sanitarium.

SCHOOL ELECTIONS HELD TODAY

NILES—Two contests have been announced for the election of school trustees in Washington Township today. Polls will ve open at the schools from 1 until 5 p. m. In Irvington, J. R. Silveira and Edward L. Rose are contesting for a place on the school board and in Warm Springs Ed Sarmento is competing with Alvino Vargas, incumbent.

Other candidates who are unopposed are E. J. Callahan of Mission San Jose: Allen G. Norris of Centerville; Mrs. Walter Robie of Alvarado: F. A. Muller of Newark: Harry Searles of Decoto and Ben Murphy of Niles.

FARM HOME HAS MEETING

CENTERVILLE—On Wednesday May 26 at noon the Alvarado Farm Home Department met at the home of Mrs. Geraldine Rogers in Centerville. The project for the day was "Summer meals".

The first part of the meeting was spent in cooking a meal which was then served and enjoyed by the members. Miss Jean Stuart, Home Demonstration Agent at Large from the Berkeley office then spoke on the values of the food. Fifteen members were present and Miss Ida Rogers won the monthly prize.

TWO SCOUT TROOPS QUALIFY

NILES—Two troops of Niles Boy Scouts are in danger of an attack of the "swell head" following reports from the recent Oakland Camporee that only two troops in Washington Township had qualified for the State Camporal to be held October 9 and 10 at Pfeiffer's State Park at the Big Sur, 35 miles south of Monterey. The patrols are the Bats and the Rattlesnakes.

Members of these patrols will be accompanied by scout officials and will spend two days roughing it in a real woodsmen's camp.

Members of the two patrols qualifying for the Camporal are:

Rattlesnakes—Weldon Pine, patrol leader; Danny Mannis, assistant patrol leader; Julius Pine, Willis Myrick, Howard Alves, Eldon Mohn, Francis Rose, Robert Jackson.

Bats—Julius Berchem, patrol leader; John Fong, assistant patrol leader; Robert Zwissig, Johnny Williamson, Earl Richardson, Cecil Griffith, Tommy Champion and Hayden Freitas.

PATROL WINS FIRST PLACE

CENTERVILLE — The Junior Traffic Patrol at Centerville won first place in the inspection by California State Highway officers held recently. As a result, members of the patrol will draw for a prize half-hour airplane trip recently promised by Captain George Richards, formerly of Niles, and now aviation instructor in the San Francisco city schools.

Second place was won jointly by Irvington, Alvarado and St. Michael's school at Livermore. Other school patrols inspected were at Ashland, Valle Vista, Decoto, Niles, Mt. Eden, Livermore and Pleasanton. Inspectors were David E. Martin, superintendent of pubilc schools in Alameda County; Captain J. R. Franck of the Highway Patrol and Officer Anthony Rose. Officer George Barron was in charge of arrangements.

The patrols were all so equally ood that selection of winners was difficult. The Centerville patrol is the oldest in the county. Its reputation for good work for the past 12 years, its efficiency of work on the highway, condition of equipment and equipment room lent the added points necessary to place first.

MERCHANTS DEFEAT ELMHURST

NEWARK—The Newark Merchants defeated the Fernandez Buffet of Elmhurst by a score of five to four. Ashton of Newark who pitched seven innings allowed eight hits, and Amaral relieved him allowing no hits. Grace for Elmhurst allowed seven hits.

The star hitters for Newark were Peter Rivers, getting two for four, and Frank Marks got a double.

After losing three straight games and winning one Sunday, Newark expects to break the wins with the losses.

Newark will play Alhambra Water Company at Newark Sunday. I'll be seeing you at the game.

SALVADOR ALVAREZ OF DECOTO DROWNS IN PLUNGE AT SCHOOL PICNIC PARTY IN SANTA CRUZ

DECOTO—Salvador Alvarez, 15, who was to have graduated next Thursday night at the Decoto Grammar School was mysteriously drowned in the Seaside Plunge at Santa Cruz Wednesday afternoon. The body was found by John Alvarez, 18, of Santa Cruz (no relation to the drowned boy) and an inhalator crew and a doctor was summoned by the lifeguard and Principal L. W. Musick but no flicker of life could be aroused. The boy had not been missed by his companions who were in the shallow end of the plunge nor by the two teachers and their wives who were watching the group and no explanation can be given of how he got to the deep end or the pool or what caused his death.

An autopsy performed by Dr. MacPherson of Santa Cruz indicated the boy in good health with no organic ailments and condition of the stomach showed nothing to account for the trouble. There was only a small amount of water in the lungs.

The body was brought to the Chapel of the Palms yesterday where funeral arrangements will be made. Surviving are the parents Mr. and Mrs. Salvador Alvarez who operate a store at 5th and F. streets, Decoto, and five brothers and two sisters. One of the sisters is in the second grade at the Decoto grammar school.

The commencement play to be given Thursday night has been cancelled due to the fact that Salvador was to have taken a leading part. He was also prominent in the recent circus given at the school and was considered one of the outstanding students of the senior class.

The group of 30 seniors were spending the day at Santa Cruz on their annual picnic. Accompanying them were Principal and Mrs. L. W. Musick and Gerald Hohl, eighth grade teacher, and Mrs. Hohl. They had eaten their lunch at noon and had played on the beach for an hour. Mr. Musick had talked to Salvador after 2 o'clock and he had been in good spirits and in evident good health. At 3:15 the group left the pool and were dressing to return home when the body was found on the bottom of the pool.

Members of the Alvarez family were notified at Decoto and came to Santa Cruz where they expressed a feeling that the accident was unavoidable. Other students did not realize the extent of the tragedy until yesterday morning.

MRS. MARY FREITAS DIES AFTER ILLNESS OF TWO MONTHS

CENTERVILLE — Mrs. Mary Freitas of Newark, who had been ill for two months, passed away at the Taylor Hospital Friday May 21.

Mrs. Freitas who was 73 years old, came to this country at the age of 16 years. Two years later she married the late Joseph Frietas at San Francisco where they lived for several years. Later they came to Newark where Mrs. Freitas lived for 39 years.

Services from the Chapel of the Palms were followed with a High Mass at St. Edwards Church in Newark and interment in the Sepulchre Cemetery at Hayward. She was a member of the Newark S. P. R. S. I. lodge.

Four daughters who mourn her loss are Helene Frick, Evangeline Olivera, Lilly Hemplemen all of Newark and Mary Correa of San Jose. Grandchildren are Hazel Silva, Charles Correa and Bunny Hemplemen and Great Grand Mother to Gilbert Silva and Arnold Correa.

ROSE AND BRUNELLI ANNOUNCE DETAILS ON CHANGE OF GARAGE OWNERSHIP IN THE TOWNSHIP

Details of the big business change in township automobile circles were announced this week by Ed Rose, pioneer garageman, and Romeo Brunelli.

Brunelli has purchased Rose's Centerville garage and Chevrolet agency. Rose has returned his headquarters to Niles where he plans to open a new agency, details of which are to be announced later.

Brunelli, who has lived his entire life in Washington township, has been in charge of Chevrolet sales for Rose for a number of years. He plans to keep some of Rose's sales staff with him.

Rose, on the other hand, will move his veteran mechanical staff to Niles. "Speed" Hockinson, who has headed the repair and shop department in the Rose garage for a number of years will be at the Niles garage.

Rose plans to completely remodel his Niles building, putting in a new sales room and parts department.

Nanny Moore, well known automobile salesman, will work with him.

Rose declares that the change will enable him to reduce overhead costs to a point where his customers will benefit in savings on their repair work.

Brunelli, whose agressive salesmanship is well known, plans to call the Centerville plant the Central garage. He will continue to sell the Chevrolet cars.

ATTINGER ANNOUNCES NEW LOW PRICE TIRE LINE

NILES—Nearly everybody has been wondering why someone didn't do something about rising prices.

One major manufacturer has done something about it and one class of consumers—car owners—are reaping the benefit.

"Announcement of the new Goodyear R-1 tire was welcome news to motorists in Washington Township as well as in every other section of the country," declared Dick Attinger, local dealer for the Goodyear Tire and Rubber Company.

"Week after week headlines have been emphasizing the fact that prices are steadily going up. Increasing cost of goods to the consumer constituted a challenge Goodyear rouldn't overloik, and several months ago Goodyear's development engineers were assigned the task of producing a quality tire at a price millions of motorists had been accustomed to pay. Result was welcome news to automobile owners—the new Goodyear R-1".

Mr. Attinger continued.

"Low price is not the only advantage of the new product. Embodied in the R-1 are the quality features that made the Goodyear G-3 All-Weather the world's most popular tire—wider, flatter tread, higher shoulders, 12 per cent more rubber in the treal, Supertwist Cord carcass, center traction to give maximum protection against skidling, anl handsome, streamlinel silewalls for smart appearance.

Washington Township Women's Activities

COUNTRY CLUB HAS LAST MEET

CENTERVILLT — Music and dancing featured the closing program of the Country Club of Washington Township Tuesday afternoon with Mrs. Edna Tyson, vocalist; Mrs. Mary Barnard Jacobus, pianist and Miss Josephine Fair and Miss June Stannard, dancers, as entertainers. This is the last meeting until the annual luncheon on Tuesday, September 14.

Mrs. Warren E. Gravestock was received as a new member. A report of the recent State convention of Women's Federated Clubs at Coronado by Mrs. Frank T. Dusterberry, retiring Alameda County president, was read by Mrs. George Coit.

Mrs. R. L. Pond reported that the club was 100 per cent subscribed to the Federation News. Mrs. C. E. Anderson was made chairman of the house committee and Mrs. Lawrence Bunting was added to the decorating committee for the September luncheon. Mrs. C. E. Martenstein, president, announced that all other committees would remain the same as for this past year.

Mrs. Martenstein was presented with an orchid corsage in honor of her recent 25th wedding anniversary, presentation being made by Mrs. A. A. Hatch.

Particular mention was made of the decorations for the afternoon arranged by Mrs. W. L. McWhirter, Mrs. J. D. Cryan, Mrs. O. E. Walpert, Mrs. George Bonde and Mrs. H. F. Chadbourne. White flowers were arranged with white academic caps and diplomas in honor of the sons and daughters of club members who are graduating from school or college this season.

The proram committee consisted of Mrs. Allen G. Norris, Mrs. F. V. Jones and Mrs. Andrew Logan.

NILES AUXILIARY WILL INITIATE

Six new members will be initiated into the Auxiliary of the Washington Township Post of the American Legion at a meeting to be held next Tuesday night. Marie Brazil, president, will preside.

OUR TRIP TO CORONADO

From the Report of the Annual Meeting of the State Federation of Women's Clubs.

by Mrs. F. T. Dusterberry

Retiring President of Alameda County Federation

We left Monday night on the Owl, two cars of Convention-minded women, bound for Coronado. We arrived at noon Tuesday, after a delightful trip where we renewed old friendships.

The hotel, which was convention headquarters, was a beautiful one and the suite I shared with five friends was nothing short of palatial. There was an informal reception and musical after dinner the first night and business began in earnest Wednesday morning.

Mrs. W. D. James, President of the California Federation, gave a stirring talk, and several important resolutions were passed,—that no change in the organization of the Supreme Court be made except by constitutional amendment, that the parole laws be tightened, that a section of Kern County be set aside as a Wild Flower Sanctuary and that Yosemite Sugar Pine Grove be purchased as a NationalForest.

Of course the banquet is always the social high light of a convention but I was even more interested in the election, which took place on Friday. Our own Mrs. George A. Rigg of Oakland was made Vice-President.

The closing event was the very beautiful installation ceremony of Friday evening. Mrs. Duncan Robinson, the new State President, is a friendly and charming woman and will, I am sure, have a successful year. We will hope that many of us may go to the next convention which will be either at Los Angeles or at Santa Barbara.

NEWARK CLUB PLANS DINNER AND THEATRE PARTY

NEWARK—Plans for a dinner and theatre party on June 8 were made at this week's meeting of the Newark Women's Improvemnt Club at the home of Mrs. Snow. Mrs. Alice Tuchsen, president, and Mrs. Cecil Trescott will make arrangements.

The club sent a check to the Junior Chamber of Commerce to assist with financing the Junior Traffic Patrol. Mrs. Dora Grebb was received as a new member. Mrs. Norma Wilburn, Mrs. Thelma Fuller, Mrs. Violet Manley and Miss Julia Ruschin were appointed to arrange for a public dance on Sept. 18. The next meeting will be held at the home of Mrs. Nora Nunes with Mrs. Violet Manley as joint hostess on June 22.

MRS. THOMAS TO CARRY BANNER FOR AUXILIARY

DECOTO—Mrs. Rose Thomas will carry the new banner for the Hayward Auxiliary of the V. F. W. in the parade at the department convention at Oroville on June 27 to July 2, where she will be the official delegate. Plans for this event were made at a recent Alameda County Council meeting at Hayward. The new banner is the first the department has had.

VETERANS CORPS WILL WEAR NEW UNIFORMS

DECOTO—New uniforms for the Fife and Drum Corps of Southern Alameda County veterans have been ordered and are expected to arrive from San Francisco in time to be worn in the Livermore Rodeo parade on June 12, states Frank Thomas, chairman. The Fife and Drum orps will also lead the Eagles in the State convention at Watsonville on June 13. The uniforms are navy blue trimmed with gold.

SWAINSONS VISIT IN SAN FRANCISCO

Mr. and Mrs. Owen Swainson and Rose Lanoue went to San Francisco to see the Fiesta over the holidays.

ALUMNI HAVE SUCCESSFUL PARTY AT GYM

CENTERVILLE — Representatives of graduating classes dating back more than 40 years joined with the initiates of the class of '37 at the annual dinner dance given at Washington Union High School last Thursday night in the school gymnasium. Approximately 200 were present, numerous alumni from the Bay section being present.

E. J. Pimentel, president, presided as toastmaster. Speakers included Jack Blacow, Robert Blacow, Earl Hellwig and A. J. Rathbone. Robert Solon spoke for the seniors present, expressing appreciation for the evening's entertainmnt which had been planned for them.

Antoinette Botelho sang two vocal numbers, accompanied by Miss Marcella Norris. Mrs. Herbert Allen also gave several vocal numbers accompanied by her brother, Henri Salz. Two four-hand piano numbers were given by Mr. Salz and Miss Norris. Antoinette Holeman gave a Spanish dance, accompanied by Dwight Thornburg and Florence May and Clarice Niemeth, a tap number, accompanied by Esther Jason.

Music for dancing was furnished by the school orchestra. Sixty-nine members of the graduating class were present. The dinner was served under the direction of Mrs. Josephine Morris, in charge of the home economics department.

SANITARY BOARD WILL MEET

The regular meeting of the Decoto Sanitary Board will be held at the fire hall next Monday night.

OLD-TIMERS AT ALUMNI DINNER

Mr. and Mrs. Leopold Falk and children of San Francisco were among the out-of-town guests at the alumni dinner dance at the high school last Thursday night.

MRS. ELLA STEVENSON ATTENDS WEDDING IN SACRAMENTO

CENTERVILLE—Mrs. Ella L. Stevenson attended the Glenn Lawler wedding in Sacramento recently. Her son, Jack Stevenson, was an usher. He is an old friend of the groom's. Miss Betty Fuller became the bride of Glenn Lawler and the couple are on an Eastern honeymoon after which they will reside in Sacramento.

The entire wedding party was in white. The bride, given in marriage by her father, Clarence Fuller was gowned in white satin made with a pearl-trimmed V-neckline and long train. The full length veil of tulle was caught with a halo cap trimmed with clusters of orange blossoms and she carried a shower of orchids, bouvardia and lilies of the valley. The ceremony was performed in the Westminster Presbyterian church with the Rev. Clarence A. Kircher reading the service.

MRS. ELLSWORTH HEADS GUILD OF NILES CHURCH

NILES—Mrs. E. A. Ellsworth was re-elected president of the Ladies Guild of the Niles Congregational church at a meeting last week in the church parlors. Other officers also re-elected were Mrs. E. C. Grau, vice-president; Mrs. A. J. Rathbone, secretary and Mrs. John Galvin, treasurer.

Hostesses for the afternoon were Mrs. Dick Attinger and Mrs. C. E. Martenstein. Mrs. Ralph Clapp was guest of honor.

The afternoon was spent in sewing after which refreshments were served. The next meeting will be held on June 9. This will be the last of the year before Summer vacation.

WILL CELEBRATE WEDDING DATE

Mr. and Mrs. J. P. Caldeira will celebrate their 11th wedding anniversary on Sunday, June 6.

Entered as second class matter at the post office at Niles California, under Act of Congress March 3, 1879.

Determined a Newspaper of General Circulation by Decree of the Superior Court (Department 6), of Alameda County, California.

High school and college graduates have started looking for jobs.

Getting a start in life is a much tougher proposition than it was a generation or two ago. A generous education is not enough. Youngsters who will get ahead faster are those who obtain technical training in specific vocations.

Those fortunate enough to do this are in the minority. At the age when he should start on his vocational training, the average youngster does not know precisely what he wants to do. Very often he lacks the money to pay for technical education.

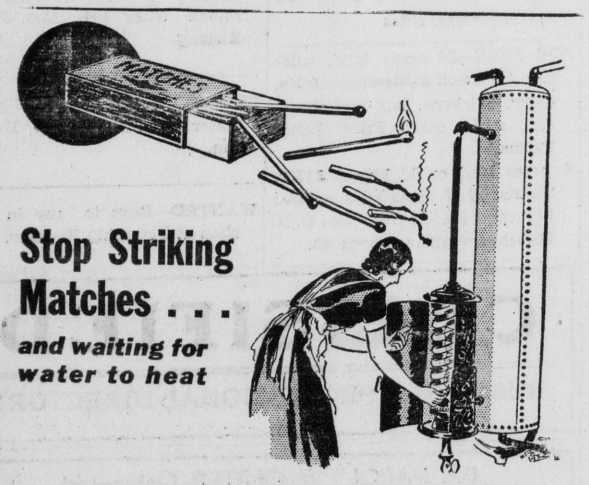
It is a problem of youth which is not receiving sufficient attention.

Apparently the pedestrian has been forgotten in the plans for the fancy underpass system which His Majesty's New Deal is donating to Niles.

While the Vallejo street underpass has a sidewalk, there has been no sign of sidewalks in the underpasses for the Western and Southern Pacific tracks near Thane's corner.

School children from across the creek will have to risk their lives by walking against the fast traffic.

There is nothing that can be done about the matter now unless a school bus is provided at added expense to the taxpayers.



Stop Striking Matches . . .

and waiting for water to heat

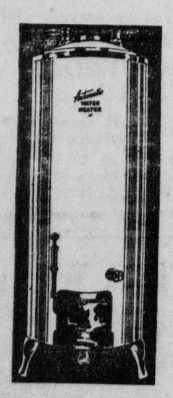
Use a Modern Automatic Gas

WATER HEATER

OF COURSE it isn't the mere striking of matches that makes the old-fashioned tank type of water heater such a nuisance. It is because someone always has to light the heater. It is because someone always has to wait for the water to heat. Someone has always to remember to turn off the water heater.

With an Automatic Gas water heater all this is different. You turn on hot water at the faucet. You learn to take its service for granted, a part of the modern living you enjoy. The first month of service is always a revelation; you wonder how you ever put up with any other kind of hot water service in your home.

For only an Automatic keeps an abundant supply of water stored hot ready for service at the turn of a faucet. There is no starting or stopping for anyone to remember. It is quiet, dependable, absolutely carefree. And all this for less cost per gallon of hot water than you pay for your present unsatisfactory hot water service.



Judge this automatic service of hot water in your home for yourself; go and see the new Automatic Gas water heaters on display in the nearest P. G. and E. office or at your dealer's store.

CONGRATULATIONS, NILES!

An Interview with L. H. Maffey Principal of Warm Springs School

Our neighbors from Warm Springs are very much interested in the building of our new school, since they have so recently completed theirs. An interview with the Principal and some of the teachers gave pointers that could prove helpful—some dos and don'ts that they have learned from their experience.

They tell us that they were as badly in need of a new building as we are, and they were 4 years trying! Everyone knew that the old building was unsafe. Everyone knew that the wood was eaten by termites. And the school was impossible to keep clean. They say that they simply worked in dirt.

But somehow a new building was voted down. However, when the old building was condemned by a Government inspector, that helped. Something had to be done, and the bond issue was passed in June, 1935, a 95 to 7 vote. To tell the truth it would have been passed a year sooner if the bond vote had been properly registered. And in exactly a year the building was completed.

This is the way they set about financing theirs. They voted a $35,000 bond issue and the Government, through the P. W. A., gave them $27,000 more. Bids were submitted to the school trustees, Joseph S. Brown, Frank Gomes and Alvino F. Vargas, and the architect was chosen.

And right here they gave us a word of warning. "No matter who draws up the plans and specifications, be sure that they are passed on by Dr. Bursch of the State Department of School Planning". During the actual erection of the building Warm Springs had plenty of supervisors. A local man was hired. The state sent one. The P. W. A. sent one. But they had already started work too soon on the excavations and foundations and then discovered that the building was being put up too close to the highway. Also, the layout of the rooms was changed. Dr. Bursch suggested that the "Activity type class room" be used, and they have been thankful ever since that they took his advice in this. For this feature, more than any other, has been responsible for making work in the new building more interesting and more profitable.

Each large class room has a small room opening from it,—a work room and storage room combined. Its walls are lined with shelves for books and materials. In it is a work table and against one wall a sink, so that the children can carry out whatever activities they undertake and do the necessary cleaning up afterwards. Before the building of the new school the classes had to wait for a fair day in order to do any work with clay or paints or other such materials, because it all had to be done outdoors.

They have tried out their new school for a year now and have found that it works well. It is a beautiful plant and a practical one. And Warm Springs invites Niles to come down and look it over, to see if we like the way they did it.

CARD OF THANKS

We wish to thank all of our relations and many friends for the beautiful flowers and kindness during the loss of our dear Mother Mary Freitas. We also want to thank Mrs. C. B. Taylor of Centerville for her kindness during the illness and loss of our dear Mother.

RIVERS HAS CLOSE SHAVE

NEWARK—John Rivers of Newark escaped death miraculously when a Southern Pacific freight struck his car on the Cherry Road crossing and carried it 1,000 feet along the track. Rivers escaped uninjured but his car was demolished. The train hit the car broadside on the right-hand side and carried it on the cow-catcher until the train could be stopped.

VILLIAN NELL

I am that awful Villian Nell
Whom all the poets wish to know;
And I have lots of things to tell.

Once I was called the village belle,
And I was always on the go;
I am that awful Villian Nell.

The swains all liked me very well,
And no one ever called me slow;
For I would flit about pell-mell.

I've never seen a padded cell
Nor traveled with a circus show;
But I'm the original Villian Nell.

I sure was dressy and looked swell,
Believe me, I could brag and blow;
And had a lot of things to tell.

I did not live within a shell—
But was refined and nothing low:
Some folks were sure I'd go to—
Well,
I am that awful Villian Nell!

JAMES H. HEATH

MASONIC HOME, Decoto May 31. Memorial Day was fittingly observed at the home by the decoration of about 350 graves of members in the Masonic home at Decoto. The flowers, which were grown in the home gardens, were placed by a detail of the home family under direction of Supt. Hartman, each grave being decorated with identical floral offerings. Improvements in the cemetery since last Memorial day was remarked by visitors. The flag which waves from the tall flag pole, daily, at the main entrance to the home buildings, was at half mast in honor of the day.

Attends Fiesta

Of the members of the home having the thrill of being among those present at the big celebration of the opening of the Golden Gate bridge, Henry Bader, King Solomon's lodge, San Francisco, received the greatest attention from the newspapers in their reports of the main events. While several of the papers of San Francisco and Metropolitan Oakland carried a picture of Bader, with appropriate mention, his greatest winning was with newspapers served by the Associated Press which used a good picture showing Bader hiking across the bridge, and with this caption: "Henry Bader, 75, crossed Brooklyn bridge on opening in 1883. Here he is crossing Golden Gate." Incidentally, Bader, is an ex-newspaperman.

Two Lodges Visit

During the week the home had the pleasure of being host to two lodges here for the conferring of the work of the second degree in masonry, Oriental lodge of San Francisco and Golden Rule lodge of San Jose. As the years come and go interest of the various lodges increases in the honor of conferring one of the three degrees in the home's Siminoff temple. In the case of the Oriental and Golden Rule lodge visits Supt. Hartman was cheered with such large turnouts of the home members, the number in each visit being over 80. So far as Oriental lodge is concerned its Worshipful Master stated that it was the first time in 77 years of its existence in which a candidate had been brought to the home temple for degree work.

opening, or whether they are permanent fixtures designed against those with grandiose ideas of suicide, we did not learn. The great size of the structure causes large things to seem much smaller. The supporting cables seem like cobwebs, and one gains an entirely new idea and respect for the strength of wire.

Foot traffic is directed out the bay side of the bridge. Scotchmen, and those disliking wind, disregard the signs, "No turning on the bridge", and return the same way. Windlovers and reckless squanderers cross under at the Marin shore, pay another nickel and return oceanside. By the way, in this automobile age, two miles is quite a walk.

Commencement

This is the week in which more than a hundred of our young people complete their work in high school. All but a few of these now take their place in the adult world of our community and face the problem of making a living. The spotlight may shine on the dozen who go on to other higher schools but the more significant group, from the point of view of our community, are the hundred who now enter upon the labor of the farms, the industries, and the business establishments of our Township. These young people are now, and will continue to be, our fellow citizens. Years pass swiftly, and before very long they will be the voters, and in their turn found the new families which in due time will take over our properties and our affairs here. How well have they been fitted for these grave responsibilities?

The schools have a large order. We who have worked with these young people realize that the future lies with them. We appreciate always the suggestions and the guidance that comes from parents and citizens of the community, and only wish that more were offered. We humbly work as your agents with this most important crop of all. We believe that the course and the offering and the viewpoint, too, in our high school is more directed towards those who cmplete their school days with graduation, than is the case in most high schools.

DIONNES TALK IN NEW PICTURE

NILES—The Dionne quintuplets will appear at the Niles theatre on Sunday and Monday. Manager William Helm expects large crowds for this showing, as each year the quintuplets remain alive adds to the miracle of their birth.

The little girls talk in the present picture. They have developed more definite personalities and their fans will be able to distinguish them from each other by their behavior.

Child experts all over the world are watching them to see how their unusual upbringing will affect their lives. Dr. Roy Dafoe plans to keep them from general contact with other children until they are 10 years old. By that time, he thinks, there will be no doubt as to their physical normality.

"Simone Simon and James Stewart are to appear in "Seventh Heaven" this week.

The story is well-known as that i nwhich Janet Gaynor rose to stardom. Stewart and Miss Simon add a new piquancy to the tale.

Tonight and tomorrow night offers a double bill. Hugh Herbert in "That Man's Here Again" will provide plenty of laughs and Buck Jones will provide his usual fast riding in "The Boss of Gun Creek".

Screeno will come as usual on Saturday night.
